RE: Ohio Tax Account #: 94008305
Tax Type: Sales

Our records indicate the tax liability for the above-referenced account exceeded the threshold for filing Semi-Annual returns. As such, please begin remitting your returns and payments on a Monthly basis effective January 01, 2019.

A Semi-Annual return is required for the reporting period ending December 31, 2018, which is due on or before January 23, 2019. **Do not file Semi-Annual returns after this period.**

Your first Monthly return covers the reporting period January 01, 2019 through January 31, 2019.

This return and payment are due by February 25, 2019.

The Ohio Department of Taxation must receive all returns and payments on or before the 23rd of the month following the end of the reporting period. Failure to file and pay taxes due in a timely manner may result in a loss of discount and the imposition of interest, penalties and/or additional charges. You must file a return even if your liability is zero for the filing period.

Please call us with any questions regarding tax filing requirements.
