Important information - Payments received after normal business hours will be credited the following business day.

If you send your payment to any other location, it may cause a processing delay. If your mortgage check does not clear upon initial presentment, your bank may charge a fee and we may attempt to withdraw funds from your account electronically up to a maximum of three times. If we are not able to successfully collect these funds, the check amount will be reversed from your loan.

If you would like to make an extra payment toward the loan principal, please indicate with the payment that it is intended for pre-payment of principal, and we will evaluate whether the payment is eligible for a principal pre-payment based on the account status. If we receive funds in excess of the total amount due without instructions, those excess funds may be applied to future contractual payments, fees, costs, escrow shortages or principal, depending upon the specifics of the account and the amount of the funds received.

Fee schedule - Fees for assumptions, partial releases, and other services will be quoted upon request.
